
NOA Lithium Announces New Chief Financial Officer

December 20, 2024, Buenos Aires, Argentina – NOA Lithium Brines Inc. (TSX-V: NOAL) (“NOA” or the “Company”) announces that the Company and Mr. Dave Cross have mutually agreed to his resignation as Chief Financial Officer (“CFO”) of the Company, so that Mr. Cross can pursue other opportunities. The Company is pleased to announce that Mr. Cross will be succeeded by Mr. Carlos Pinglo, as the new CFO of the Company and his appointment will be subject to approval by the TSX Venture Exchange. Both Mr. Cross’ resignation and Mr. Pinglo’s appointment are effective December 19, 2024.

Mr. Pinglo is an economist and senior finance executive and brings more than 30 years of extensive knowledge and experience in mining and mineral exploration companies and provides a significant value with his experience with companies operating in Argentina. Mr. Pinglo is fluent in Spanish which will facilitate the coordination with the local activities.

The Company would like to thank Mr. Cross for his all of his efforts from the initial public listing of the Company until now, and wish him success in his future endeavours.

About NOA Lithium Brines Inc.

NOA is a lithium exploration and development company formed to acquire assets with significant resource potential. All NOA’s projects are located in the heart of the prolific Lithium Triangle, in the mining-friendly province of Salta, Argentina, near a multitude of projects and operations owned by some of the largest players in the lithium industry. NOA has rapidly consolidated one of the largest lithium brine claim portfolios in this region that is not owned by a producing company, with key positions on three prospective salars, being Rio Grande, Arizaro, Salinas Grandes, and totalling over 140,000 hectares.

On Behalf of the Board of Directors,

Gabriel Rubacha

Chief Executive Officer and Director

Cautionary Note Regarding Forward-Looking Statements

Certain statements contained in this news release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this news release contains forward-looking information relating to, among other things, resource estimates of the Company and accompanying properties. Those assumptions and factors are based on information currently available to the Company. Although such statements are based on reasonable assumptions of the Company's management, there can be no assurance that any conclusions or forecasts will prove to be accurate.

While the Company considers these statements to be reasonable based on information currently available, they may prove to be incorrect. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include market risks and the demand for securities of the Company, risks inherent in the exploration and development of mineral deposits, including risks relating to changes in project parameters as plans continue to be redefined, risks relating to variations in grade or recovery rates, risks relating to changes in mineral prices and the worldwide demand for and supply of minerals, risks related to increased competition and current global financial conditions, access and supply risks, reliance on key personnel, operational risks, and regulatory risks, including risks relating to the acquisition of the necessary licenses and permits, financing, capitalization and liquidity risks.

The forward-looking information contained in this news release is made as of the date hereof, and the Company is not obligated, and does not undertake, to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
